

Worm Olympics

You need:

- gloves
- 1 seed tray full of dirt from the compost bays
- small hand trowels or small garden forks for worm hunting in the worm farm
- 1 worm each.

‘Ready, Set, Go!!’ – Give the signal to drop the worms into the dirt – the winning worm is the one that disappears first!

What did the worms do? Why do you think they did that?

What do you know about worms?

What would you like to find out about worms? Find the answer (look in the library or on the Web), then at the end of the class see if anyone else knows the answer!
